Visitor Services Lead Opening

Job Title: Visitor Services Lead
FSLA: Part-time hourly
Hours: 8-16 hours per week
Starting Pay: \$14 per hour
Reports To: Visitor Services Manager

Mission

To engage our community in the joyful, active exploration of science and innovation.

Job Summary

SEE Science Center has been engaging visitors of all ages in the pursuit of science discovery for over 30 years through museum hands-on exhibits, school field trips, summer camps, the SEEMobile, LEGO® Millyard Project, Science on Tap and other programs. Founded by inventor Dean Kamen, SEE is located in 30,000 square feet in the Manchester Millyard and welcomes over 40,000 visitors annually. The primary function of the Visitor Services Lead is to oversee frontline operations during normal business hours. This position helps to facilitate the visitor experience at SEE by greeting guests, collecting admission, and acting as cashier in the gift shop. The Lead will also answer the telephone, route calls and provide general information to callers. Some clerical tasks and assistance in facilitating large group visits will be required. The Visitor Services Lead will also have the opportunity to run short demos for visitors on the Museum Exhibit Floor.

Supervisory Responsibilities

- Manage end of shift cash outs and reporting.

Supervision Received

- Lead works under the indirect supervision of the Visitor Services Coordinator who assigns workloads and provides policy and procedural guidance on a regular basis.

Examples of Duties/Responsibilities

- Greet all guests promptly and in a friendly manner.
- Collect appropriate admission and log information into the PoS system.
- Answer general questions about SEE.

- Answer the telephone, route calls, take messages, answer inquiries.
- Act as cashier in the gift shop and complete shift close out procedures.
- Stock gift shop shelves.
- Perform demonstrations at least three times a day.
- Maintain a high level of cleanliness at Museum entry and help preform basic tidying work during slow periods.
- Assist with clerical duties as needed.
- Lead in turning on/off exhibits and reporting exhibit issues to the appropriate staff.
- Must learn all demos and have the ability to answer questions about the demonstrations.
- Perform other duties as required.

Required Qualifications and Skills

- Ability to communicate effectively verbally and in writing.
- Ability to work well with the public and harmoniously with others.
- Ability to perform several tasks at once under distracting circumstances.
- Must maintain a professional appearance.
- Interest in Science, Technology, Engineering and Math (STEM) a plus.
- Must abide by all SEE Policies and Procedures.
- Must pass background check.

Education and Experience

- High school degree or GED in progress or completed required.
- Previous experience operating a cash register and telephone system preferred.
- Previous experience working in a front facing role with the public preferred.

Physical Requirements

- Prolonged periods of sitting at a desk or working on a computer.
- Must be able to lift up to 15 pounds at times.
- Ability to orate and stand for short periods of time while giving group presentations.

SEE is an equal opportunity employer. All applicants will be considered for employment without attention to race, color, religion, sex, sexual orientation, gender identity, national origin, veteran or disability status.
